

Our CABLEExpress® "H-Series" 4U Enclosure solutions provide high-density, low DB loss connections. They can accommodate up to 144 duplex LC ports in one enclosure, while addressing cable management issues that come with high-density designs. Plus, they come standard with a lifetime warranty.

Features

- Adapter panels and modules allow for easy future upgrades.
- Low loss components allow flexibility in fiber network design.
- Stable spring couplers minimize vibration
- Molded, angled MTP® couplers allow for easy removal and insertion.
- Rugged design allows fiber to remain secure.

4U Enclosure

4U rack mount fiber distribution enclosure

Enclosure Options

4U Modules

4U LC Modules

- CBX-HM-V0424LCAZ - 24 Fiber (12 Port) LC/2 MTP® 10G Aqua Module
- CBX-HM-V0424LCTP - 24 Fiber (12 Port) LC/2 MTP® 62.5/125 Multimode Module
- CBX-HM-V0424LCBZ - 24 Fiber (12 Port) LC/2 MTP® 9/125 Singlemode Module

4U SC Modules

4U SC Modules

- CBX-HM-V0412SCAZ - 12 Fiber (6 Port) SC/1 MTP® 10G Aqua Module
- CBX-HM-V0412SCTP - 12 Fiber (6 Port) SC/1 MTP® 62.5/125 Multimode Module
- CBX-HM-V0412SCBZ - 12 Fiber (6 Port) SC/1 MTP® 9/125 Singlemode Module

4U Adapter Panels

4U LC Adapter Panels

- CBX-HF-V0424LCAZ - 24 Fiber (12 Port) LC 10G Aqua Adapter Panel
- CBX-HF-V0424LCTP - 24 Fiber (12 Port) LC 62.5/125 Multimode Adapter Panel
- CBX-HF-V0424LCBZ - 24 Fiber (12 Port) LC 9/125 Singlemode Adapter Panel

4U MTP® Adapter Panels

- CBX-HF-V0408MPK - 96 Fiber (8 Port) MTP® Adapter Panel

4U SC Adapter Panels

- CBX-HF-V0412SCAZ - 12 Fiber (6 Port) SC 10G Aqua Adapter Panel
- CBX-HF-V0412SCTP - 12 Fiber (6 Port) SC 62.5/125 Multimode Adapter Panel
- CBX-HF-V0412SCBZ - 12 Fiber (6 Port) SC 9/125 Singlemode Adapter Panel

Blank Panel

- CBX-HB-VH04 - 4U Blank Panel

Our CABLEExpress® "H-Series" Enclosure solutions are available in both Vertical (H10V) and Horizontal (H10H) mounting configurations which allow users to chose port orientation to mirror either the Brocade® or Cisco® high-density director switches.

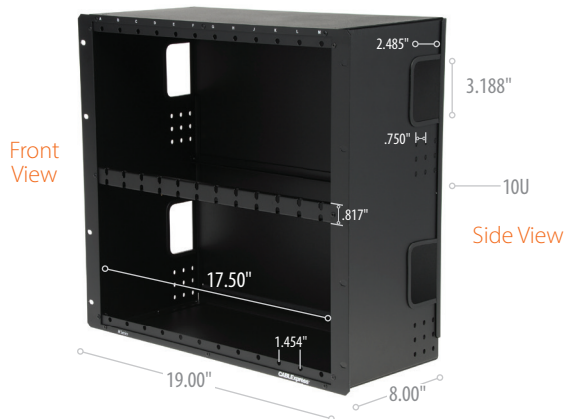

Their high-density design can accommodate up to 576 duplex LC ports in one 10U enclosure, while addressing cable management issues that come with high-density designs. The 6U and 1U modules are interoperable to maximize design flexibility. Plus, they all come standard with a lifetime warranty.

Features

- Adapter panels and modules allow for easy future upgrades.
- Modules have interoperability between the 10U, 6U and 1U Enclosures
- Low loss components allow flexibility in fiber network design.
- Molded, angled MTP® couplers allow for easy removal and insertion.
- Rugged design allows fiber to remain secure.

10U Vertical Enclosure

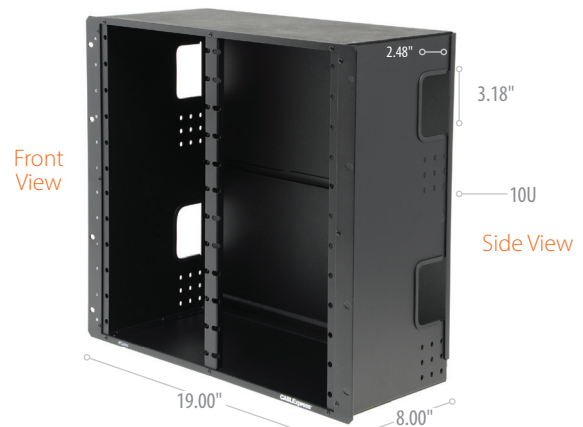

Choose vertical modules or adapter panels to emulate vertical port alignment

Enclosure
CBX-HE-V10 | 10U rack mount fiber distribution enclosure

10U Horizontal Enclosure

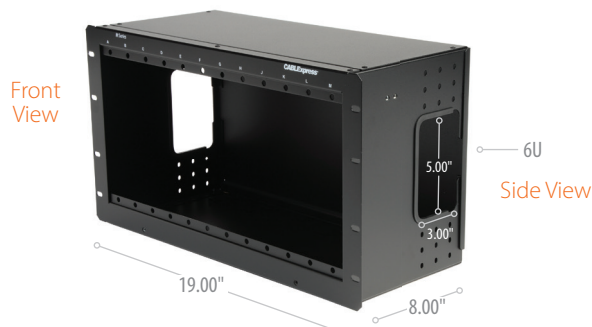

Choose horizontal modules or adapter panels to emulate horizontal port alignment

Enclosure
CBX-HE-H10 | 10U rack mount fiber distribution enclosure

6U Vertical Enclosure

Choose vertical modules or adapter panels to emulate vertical port alignment

Enclosure
CBX-HE-V06 | 6U rack mount fiber distribution enclosure

1U Horizontal Enclosure

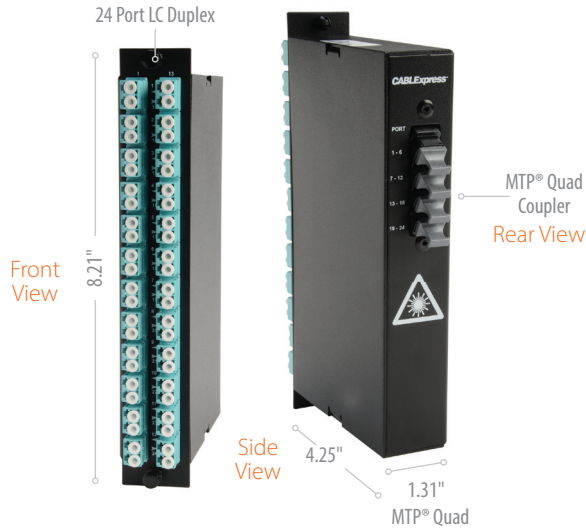

Choose horizontal modules or adapter panels to emulate horizontal port alignment

Enclosure
CBX-HE-H01 | 1U rack mount fiber distribution enclosure

Vertical Modules

For use with 10U and/or 6U vertical enclosures

10U/6U Vertical Modules

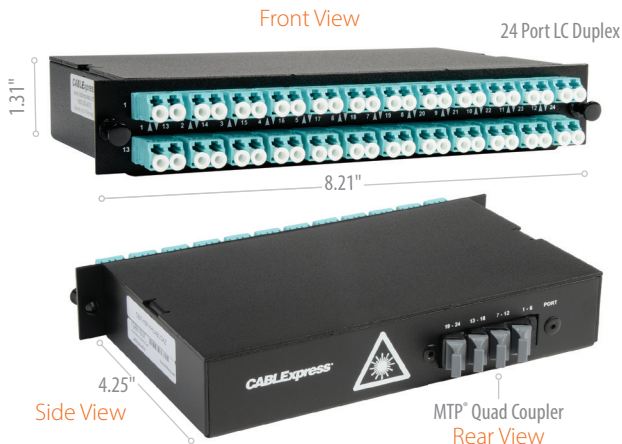

CBX-HM-VHU48LCAZ - 48 FIBER (24 Port) LC/4 MTP® 10G Adapter Panel with Vertical Port Numbering

CBX-HM-VHU48LCTP - 48 FIBER (24 Port) LC/4 MTP® 62.5/125 Module with Vertical Port Numbering

CBX-HM-VHU48LCBZ - 48 FIBER (24 Port) LC/4 MTP® 9/125 Module with Vertical Port Numbering

Horizontal Modules

For use with 10U and/or 1U horizontal enclosures

10U/1U Horizontal Modules

CBX-HM-HHU48LCAZ - 48 FIBER (24 Port) LC/4 MTP® Zirconia 10G Aqua Module with Horizontal Port Numbering

CBX-HM-HHU48LCTP - 48 FIBER (24 Port) LC/4 MTP® 62.5/125 Module with Horizontal Port Numbering

CBX-HM-HHU48LCBZ - 48 FIBER (24 Port) LC/4 MTP® 9/125 Module with Horizontal Port Numbering

Vertical Adapter

For use with 10U and/or 6U vertical enclosures

10U/6U Vertical Adapter Panels

CBX-HF-VHU48LCAZ - 48 FIBER (24 Port) LC 10G Aqua Adapter Panel with Vertical Port Numbering

CBX-HF-VHU48LCTP - 48 FIBER (24 Port) LC 62.5/125 Adapter Panel with Vertical Port Numbering

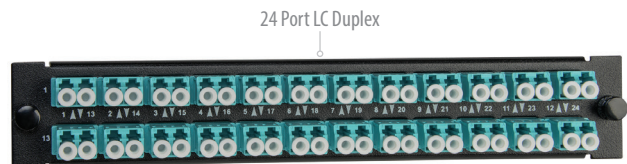

CBX-HF-VHU48LCBZ - 48 FIBER (24 Port) LC 9/125 Adapter Panel with Vertical Port Numbering

Blank Panels

CBX-HB-VH06 - 10U/6U/1U Blank Panel

Horizontal Adapter Panels

For use with 10U and/or 1U horizontal enclosures

24 Port LC Duplex
